Explanation of Special Business

The Companies Act 2006 provides that directors shall only allot unissued shares with the authority of shareholders in general meeting. Resolution 9 will be proposed as an ordinary resolution to grant the directors general authority to issue shares in the Company up to an aggregate nominal amount of £1,000,000.

The Companies Act 2006 also provides that any allotment of new shares for cash must be made *pro rata* to individual shareholders' holdings, unless such provisions are disapplied under section 570 of the Companies Act 2006. Resolution 10 will be proposed as a special resolution to grant the directors authority to allot equity securities for cash, without first offering them to shareholders *pro rata* to their holdings. This authority facilitates issues made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Companies Act 2006, and authorises other allotments of up to a maximum aggregate nominal amount of £200,000 of equity securities, representing approximately 5 per cent of the current issued ordinary share capital
